### 1. Awareness Campaign on Suicide Prevention

On Sept 10, on the occasion of suicide prevention month, DYN-Lamjung chapter conducted an online awareness campaign where we shared a daily quote to inspire hope, raise awareness and encourage conversations around mental health. Our theme for this campaign was "Changing the Narrative on Suicide - Start the Conversation".  
#YouAreNotAlone #SuicidePreventionMonth

### 2. Free Canva Training Workshop

Canva is a free designing tool where one can design posters, presentation, certificates as well as CV which is very important for a student. With the aim of enhancing skills of youths, DYN-Lamjung conducted a "Free Canva Training Workshop" on Oct 6, 2024. The program was conducted online on Google Meet where about 26 students were participated. The program was facilitated by our president Mr. Suyog Poudel. In this online training workshop, we covered various topics like social media poster design, presentation skills, certificate designing and CV making. The program became a very fruitful session specially to those who wanted to learn digital skills. Overall, the program was amazing and everyone were benefitted from the workshop.

### 3. 3-Day Proposal and Technical Writing Masterclass

Understanding the needs of students, DYN-Lamjung conducted a "3-Day Proposal and Technical Writing Masterclass" on Oct 29, 30 & 31, 2024.

Program timeline:

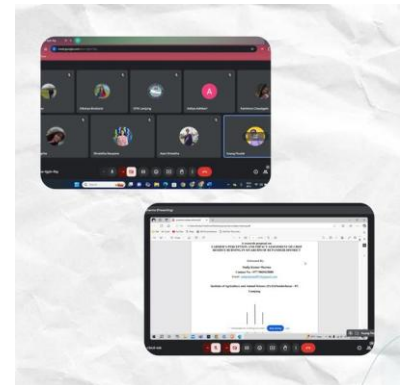

Day 1: Proposal Writing

Day 2: Citation & Reference using Mendeley

Day 3: Technical Writing Skills

Due to the academic holiday and feasibility of students, the program was conducted online on Google Meet where about 26 students have registered for the masterclass. The program was facilitated by our former president Mr. Sudeep Sharma (2023.24) and current president Mr. Suyog Poudel (2024.25). All the doubts related to proposal and technical writing were cleared in the 3 days session. A recording was also provided to those who registered so that they can watch incase if they missed the masterclass. A certificate was also provided upon completion of assignment given in the program.

#### 4. Agri-Hack Season-III

Maintaining the consistency of the great program of DYN – Lamjung, Agri Hack - Aali Dekhi Thali Samma Season-3 was conducted on December 10 & 12, 2024. The program is conducted in three phases: problem framing, solution prototyping and presenting innovation. The registration form for the program was opened on 6<sup>th</sup> Dec where anyone could participate.

On 10<sup>th</sup> Dec, eight teams were formed randomly with lottery system with each group having 4 members. Each team were provided with a chart paper, loose sheets, pen and sign pen for brain storming and presenting the problems and solution. After that they were also provided with a context that contain the article related to problems of farmers who are suffering in Nepal. The teams were given sometime for brainstorming so that they could clearly understand the problem and identify the solution for the given context. On that day, each teams presented the problems and solutions on the chart. That day, the program was judged by Mr. Sabin Karki, teaching assistant at Lamjung Campus and Mr. Raj Kumar KC, program coordinator at Shree Baal Adarsha Ma Vi.

#### Result:

Winner: Team Ferti-Fixers

1<sup>st</sup> Runner up: Team Tomato Cracker

The winner was announced shortly after all the teams completed presenting. The winners were chosen on the basis of marking given by the judges on 5 different criteria. The winner and the 1<sup>st</sup> runner up were awarded with medals and certificates. Similarly, the other participants were also provided with the certificate of participation. After that our respected judges gave a short speech about the program. Then they were provided with a token of love by our president Mr. Suyog Poudel. At last, the program was concluded by the president and ended the session with some clicks of photos.
